Continued on backside

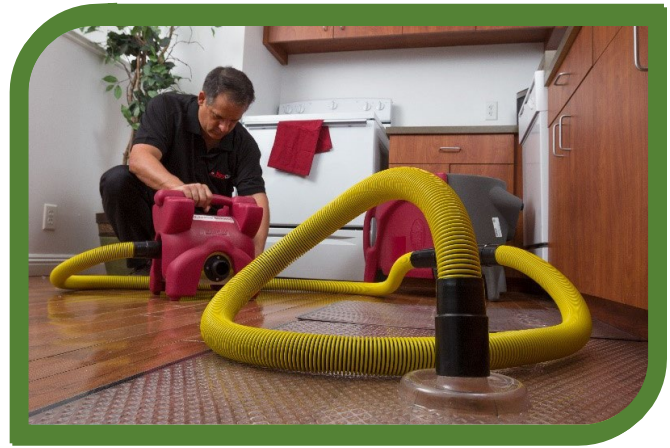

PAST PERFORMANCE CONTINUED

McDonalds restaurants – We have serviced multiple McDonalds restaurants over the last 2 years in the middle of the night so that the location could be open again in 4 hours minimizing revenue loss due to an employee testing positive.

Lenscrafters - We have serviced multiple Lenscrafters over the last 2 years after hours and on weekends, so that the location could be open again by the following day, minimizing revenue loss due to an employee testing positive.

TTX –We have serviced both the Stockton and Oakland locations over the last 2 years, providing 4 hour response so that the location could be open again in 4 hours minimizing revenue loss due to an employee testing positive.

Heritage Bank - We have serviced multiple bank locations over the last 2 years on Sunday or after hours, so that the location could be open again by the next or same day, minimizing revenue loss due to an employee testing positive.

BIO

Curtis Elowe
President
celowe@puroclean.com

Founded CE Services DBA PuroClean of Antioch in 2017. Motto in business and in life: "If I can't do it right, then I won't do it at all." I enjoy helping people on the worst day of their lives.
