Continuous improvement and evaluation of plans  
Virtual & physical copy at your fingertips

## What Can Our EMP Do for You?

### Emergency Action Checklist:

Always be prepared with a clear, actionable list.

### Preferred Response Partner:

Be prioritized for rapid response in case of an emergency.

### Advanced Warning & Emergency Contact Sheet:

Key contact info for immediate action.

### Utility Shut-Off Locations:

Critical locations for gas, water, and power shut-off points.

### Pre-Approved Work Authorization:

Immediate action without delays or paperwork.

### Local Emergency Contacts:

Fire Department, insurance agents, hospitals, security, and more.

The PuroClean Emergency Management Plan (EMP) was designed for commercial clients who are seeking to improve their emergency preparedness. In addition to emergency planning for all types of events, the program also offers risk management and assessment. PuroClean's EMP can help you effectively manage unexpected events and minimize the impact on your business, your property, and your customers.
